

The “I AM” Project

Everyone has a special story to share about why they work towards empowering themselves.

Your reason may be well being, abundance, spiritual growth, career, family or simply reaching your fullest potential.

Mystic Empowerment messages, via personal use of the cards or books in this series or through card reading with Colette Mesdag, have the potential generate the shift needed in you to inspire you to reaching your goals.

Part of that process is of course to state what you want and announce it.

For this project you can:

☺ make your I AM statement and have your participation here be a witness to your commitment to yourself (with or without a photo)

OR

☺ pull a Mystic Empowerment card at random and share a selfie and see how things change for you and what manifest after you claim it for yourself

Send the image you want to claim your "I AM" with along with your statement, full name and contact information to info@colettemesdag.com.

Enter I AM in the email topic line.

No purchase necessary
